

DESIGN BY RONAN & ERWAN BOUROULLEC

HAY

# BALCONY

## HIGHLIGHTS

- An outdoor collection of chairs and a table
- The square design is softened by the rounded edges and holes, which strengthen the construction
- Chair and Armchair are stackable up to 12 pcs.
- The collection features a weatherproof outdoor powder coating
- Suitable for a wide variety of private and public environments
- Qualified for contract use

# BALCONY DESIGN BY RONAN & ERWAN BOUROULLEC

Designed for HAY by French designers Ronan and Erwan Bouroullec, Balcony is an extensive collection of outdoor furniture. The square design is softened by the rounded edges and holes, which not only give the collection a distinct expression, but also strengthen the construction. Made in powder-coated steel with an outdoor primer for optimal resilience and durability, the collection of outdoor furniture is well suited to balconies, gardens and other outside spaces.

Ronan & Erwan Bouroullec the Paris-based design brothers from Brittany have been working together since 1998. Ronan is a graduate of the École Supérieure des Arts Décoratifs in Paris and Erwan attended the École Nationale Supérieure des Arts in Cergy before starting their own studio. They have transformed the design industry and offered new perspectives of materiality and purpose. For HAY, they have designed the Palissade Collection, Copenhagen Collection, Can Sofa, Élémentaire Chair, Passerelle Table and Pier System.

## SUSTAINABILITY

At HAY, we believe good design should stand the test of time. That principle shapes the decisions we make – from the materials and suppliers we work with to the certifications we pursue to ensure our products meet recognised standards. We use recycled content where possible, FSC™-certified wood (FSC-C148805), and bio-based foam that helps lower our products' overall carbon footprint. We are also increasing the number of products certified with the EU Ecolabel and the Nordic Swan Ecolabel, reflecting our ambition to make lower-impact choices across our assortment. HAY follows strict regulatory requirements, and most of our products are tested to meet international standards for strength, durability, and safety.

## BALCONY FIXATION BRACKET

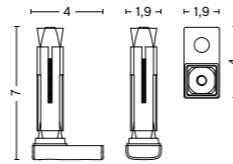

The Balcony Fixation Bracket is designed to secure the Balcony Tables and Chairs to the ground, anchoring the furniture in windy weather and serving as a theft deterrent. The brackets can be used on any surface and are easy to attach to the Balcony product. Made in powder coated steel, they come in a set of four and are available in one colour – anthracite.

## MATERIALS

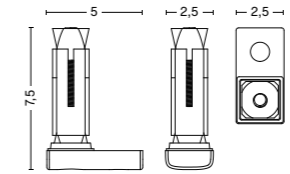

FIXATION BRACKET  
Powder coated stainless steel with EPDM rubber washer
